## Announcement

---

There is feed in abundance throughout the Corn-belt. There is no better or more profitable use to which that feed can be put than feeding it to good, well bred Shorthorn and Polled Shorthorn cattle.

This sale coming when cribs and mows and silos are filled to overflowing, when hay and straw stacks have not been touched is most opportune for the farmer or breeder who wants to get the best results and make the most money from his crops for which he has worked for a year.

The cattle in this sale are of the right type and quality to prove profitable in the hands of anyone who will give them reasonable care and feed. They are well enough bred for the most discriminating breeder and they are the kind with which the farmer can produce the most profit.

These cattle are not carrying excess fat but they are in good condition, just right to do the most good on Corn-belt farms. Note the large number of calves that go with their dams in this sale. Whether you breed Shorthorns or Polled Shorthorns or buy for commercial herds you will get more for your money in this sale than could be bought on any farm or from any breeder privately. Come and get these first class cattle at your own figures.

Will Johnson, Sale Mgr.

Auctioneers: J. E. Halsey, Des Moines, Iowa  
assisted by Herman Nau, Atlantic, Iowa.

Mail bids may be sent to the sale manager, the auctioneers or to M. T. White of Wallaces' Farmer or Tom Sherlock of the Corn Belt Dailies or to any of the consignors.

## Terms and Conditions of Sale

---

**LOCATION**—The sale will be held in the Herman Nau sale pavilion at the fairgrounds at Atlantic, Iowa, on Friday, October 29, 1937. Atlantic is situated at the junction of U. S. Highways Nos. 6 and 71. It has excellent railway facilities and paved highways in all directions connecting up with all parts of Iowa and adjoining states.

**TERMS**—The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off but the management will attend to loading on cars or trucks in compliance with instructions from purchasers.

**GUARANTEE**—All cattle are sold subject to a sixty-day retest for tuberculosis and health certificates will be furnished to enable them to be shipped into any state or territory. Bulls are guaranteed breeders if properly cared for and not allowed to run with the herd. If a bull fails to breed, he may be returned to the seller, if in as good condition as when bought and if after a test in the seller's herd, he still fails to breed, he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over sixteen months old at the time of the sale are guaranteed to be breeders. Animals returned to seller because they do not comply with guarantee will be at buyer's costs of transportation.

Any claim for adjustment because an animal is a non-breeder must be made within ninety days of the date of the sale.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager nor the clerk of the sale assumes any liability, legal or otherwise.

**PEDIGREE CERTIFICATES**—A certificate of registry and a transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

Where footnotes appear in this catalog, they were furnished by the consignors or written from information supplied by the consignors.

**BIDS**—Those wishing to buy who cannot be present may leave with, or send their bids to the sale manager, Will Johnson of the Shorthorn World, M. T. White of Wallaces' Farmer, Tom Sherlock of the Corn-Belt Dailies, to the Auctioneer, J. E. Halsey, or to any of the consignors.

The rise in prices of pure bred cattle has come, but pure bred Shorthorns are still the cornbelt farmers best asset. Buy these choice breeding units before the price gets above that of a safe conservative investment. In a short time cattle such as these will be selling at double the prices of this sale. Buy NOW and be ready to sell THEN.

WILL JOHNSON, Sale Manager,  
3709 Sixth Avenue, Sioux City, Iowa.

**AUCTIONEER**—J. E. Halsey.
